

AKP Limited

QUALITY POLICY STATEMENT

The objective of the company is to develop, maintain and continually improve an AS9100D Quality Management System. Recognising that the development of the Quality Management System is a company wide responsibility, all employees are empowered with participation in this process.

Our Quality Objectives are established and reviewed within the Management Review Process, all focused upon meeting all applicable requirements, customer needs and exceeding their expectations.

All personnel within AKP are aware of this Quality Policy and understand the need for its objectives to be achieved. In this way the implementation of the Quality Policy is effected and maintained.

Core Values.

- *We shall always work, behave and look like a team*
- *We shall not blame each other when things go wrong – we will work together to resolve the issue and fix the process.*
- *We will always strive to improve the service to our customers, and ultimately our own profitability. The enablers will be technology, innovation, and sheer hard work.*
- *We will endeavour to keep the working environment clean & tidy – a place in which we can be proud.*
- *We will treat customers, suppliers and colleagues with the utmost courtesy at all times.*
- *We shall be good neighbours to the local community.*
- *We shall develop our team through appraisal, training, involvement and a robust apprenticeship program.*
